

**NHS DORSET CLINICAL COMMISSIONING GROUP**  
**PRIMARY CARE COMMISSIONING COMMITTEE MEETING**  
**MATTERS ARISING - PART ONE**

Report of the Chair on Matters Arising from Part 1 of the Minutes of the NHS Dorset Clinical Commissioning Group Primary Care Commissioning Committee meeting held on 6 December 2017.

**1. Purpose**

To report to the Committee on any matters arising from the draft minutes of the last Committee meeting.

**2. Recommendation**

That the Committee notes this report and directs any action it sees fit.

**3. Background Information**

This report covers all outstanding action points contained in the minutes and is required in order that the Committee can be satisfied that all action points in the action column have either been done, are being done or will be done in accordance with the timescale contained in the minute, if any.

**7.3 Primary Care Update**

7.3.6 The Governing Body GP lead was concerned that the issue of the transfer of GP contracts to limited companies was ongoing.

7.3.7 The Governing Body GP Lead said that many practices had progressed work to move to a social enterprise from 1 April 2018. The Committee directed the Deputy Director of Service Delivery to work with the Governing Body GP Lead to explore the requirements for practices to progress this.

**SSa – Actioned. This has been progressed with the Governing Body GP Lead and is being followed up with the New Business Models Team in NHS England.**

**7.5 Learning Disability Health Checks**

7.5.3 The Committee was concerned that there was no mechanism when patients had been diagnosed with a learning disability to flag this to the GP to add to their Learning Disability Register to manage their further care. The Deputy Director of Service Delivery would review to see how this could be improved.

**SSa – This has been raised with the LD Commissioning Team and the PC Team who will review as part of the action plan.**
