

NHS DORSET CLINICAL COMMISSIONING GROUP PRIMARY CARE COMMISSIONING COMMITTEE MEETING MATTERS ARISING - PART ONE

Report of the Chair on Matters Arising from Part 1 of the Minutes of the NHS Dorset Clinical Commissioning Group Primary Care Commissioning Committee meeting held on 7 June 2017.

1. Purpose

To report to the Committee on any matters arising from the draft minutes of the last Committee meeting.

2. Recommendation

That the Committee notes this report and directs any action it sees fit.

3. Background Information

This report covers all outstanding action points contained in the minutes and is required in order that the Committee can be satisfied that all action points in the action column have either been done, are being done or will be done in accordance with the timescale contained in the minute, if any.

7.1 Dorset Sustaining and Transforming Primary Care

7.1.3 The first iteration of the Locality Plans had been received and were at varying stages of development. The Primary Care Lead (AD) had been working with the practices to support the plans and had provided feedback to the Locality Leads.

7.1.4 The Deputy Director of Public Health requested that the plans and the menu of support be shared with Public Health so they could assist with ongoing development. The Committee directed the Deputy Director of Service Delivery to liaise with the Locality Leads to inform them that Public Health would like to view the assessments to provide feedback and support. If they consented the documents could be shared.

SSa - GP GB leads are happy to share their locality plans with the Public Health team, also Sam Crowe has subsequently met with Anu Dhir.

7.2 Summary of 2017/18 GMS/PMS and APMS Contract Changes

7.2.3 The Head of Medicines Management noted the area within the Summary of General Medical Services Contract Negotiations on identification and Management of Patients with Frailty. She had been working with the Medicines Optimisation Group to create standards for frailty prescribing and would link with the Senior Programme Lead to include on the Frailty Framework.

KG - This was taken to the MOG in July and a couple of prescribing lead GPs and pharmacist have been assigned to develop this. Progress will be reported on at the next meeting.
