

Clinical Services Review and Mental Health Acute Care Pathway Review

Dr Forbes Watson
Chair, NHS Dorset CCG

The CSR story

The future of healthcare in Dorset

YOUR NHS
Working together to shape
Dorset's Health

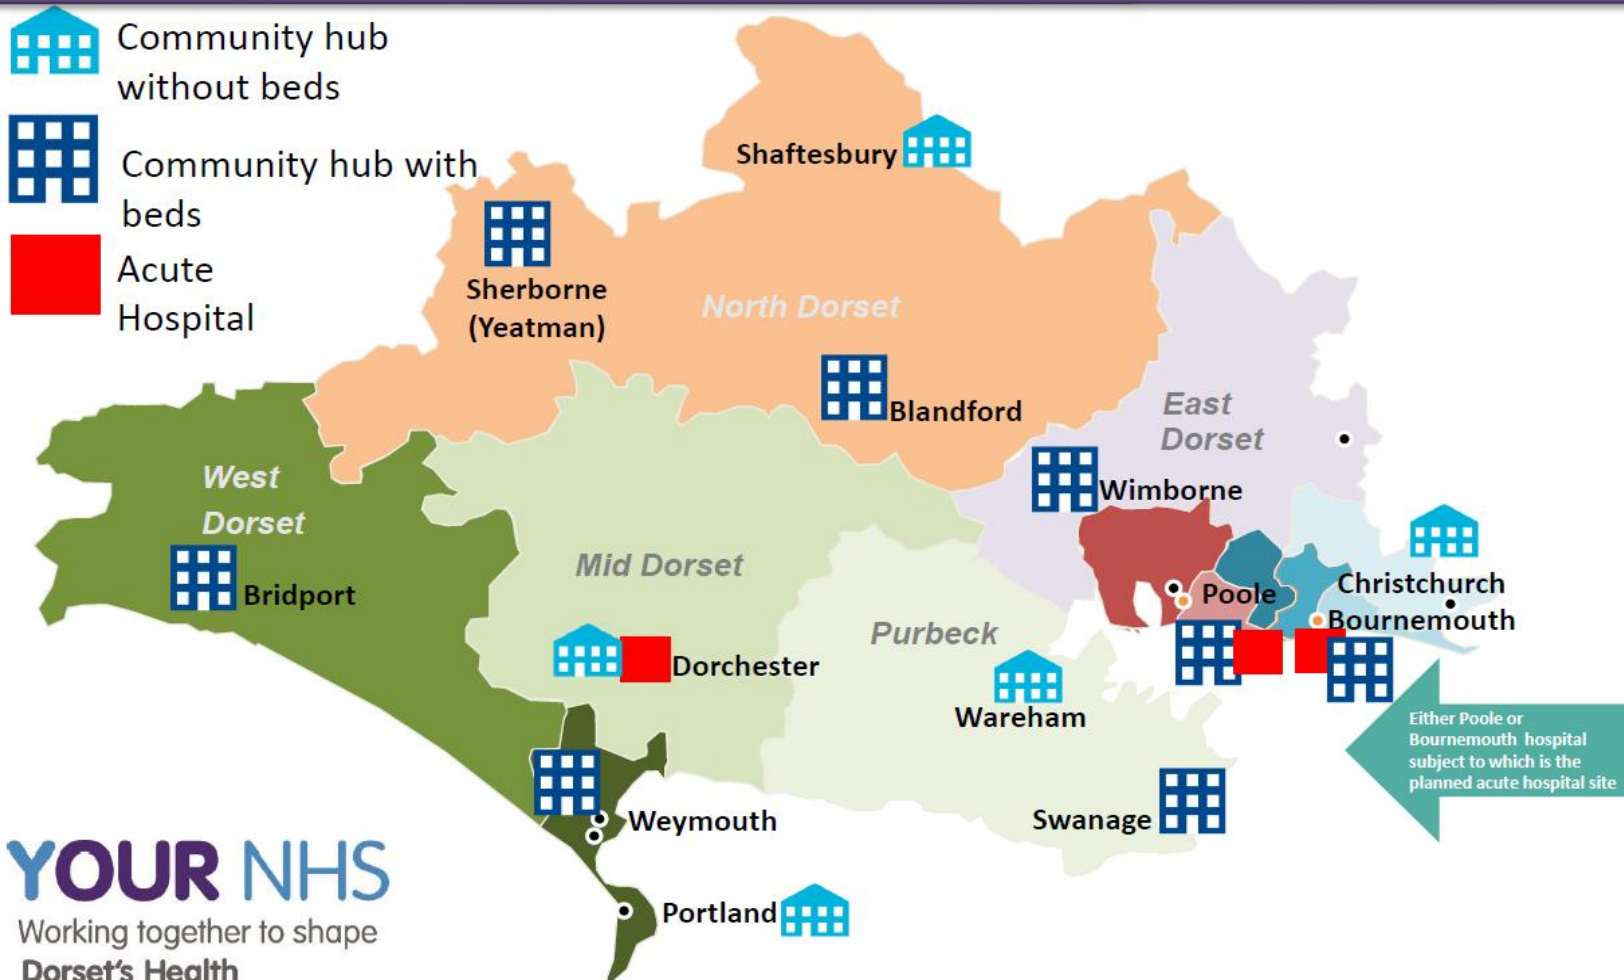

Integrated Community Services

Proposals and decisions

Integrated Community Services – proposals

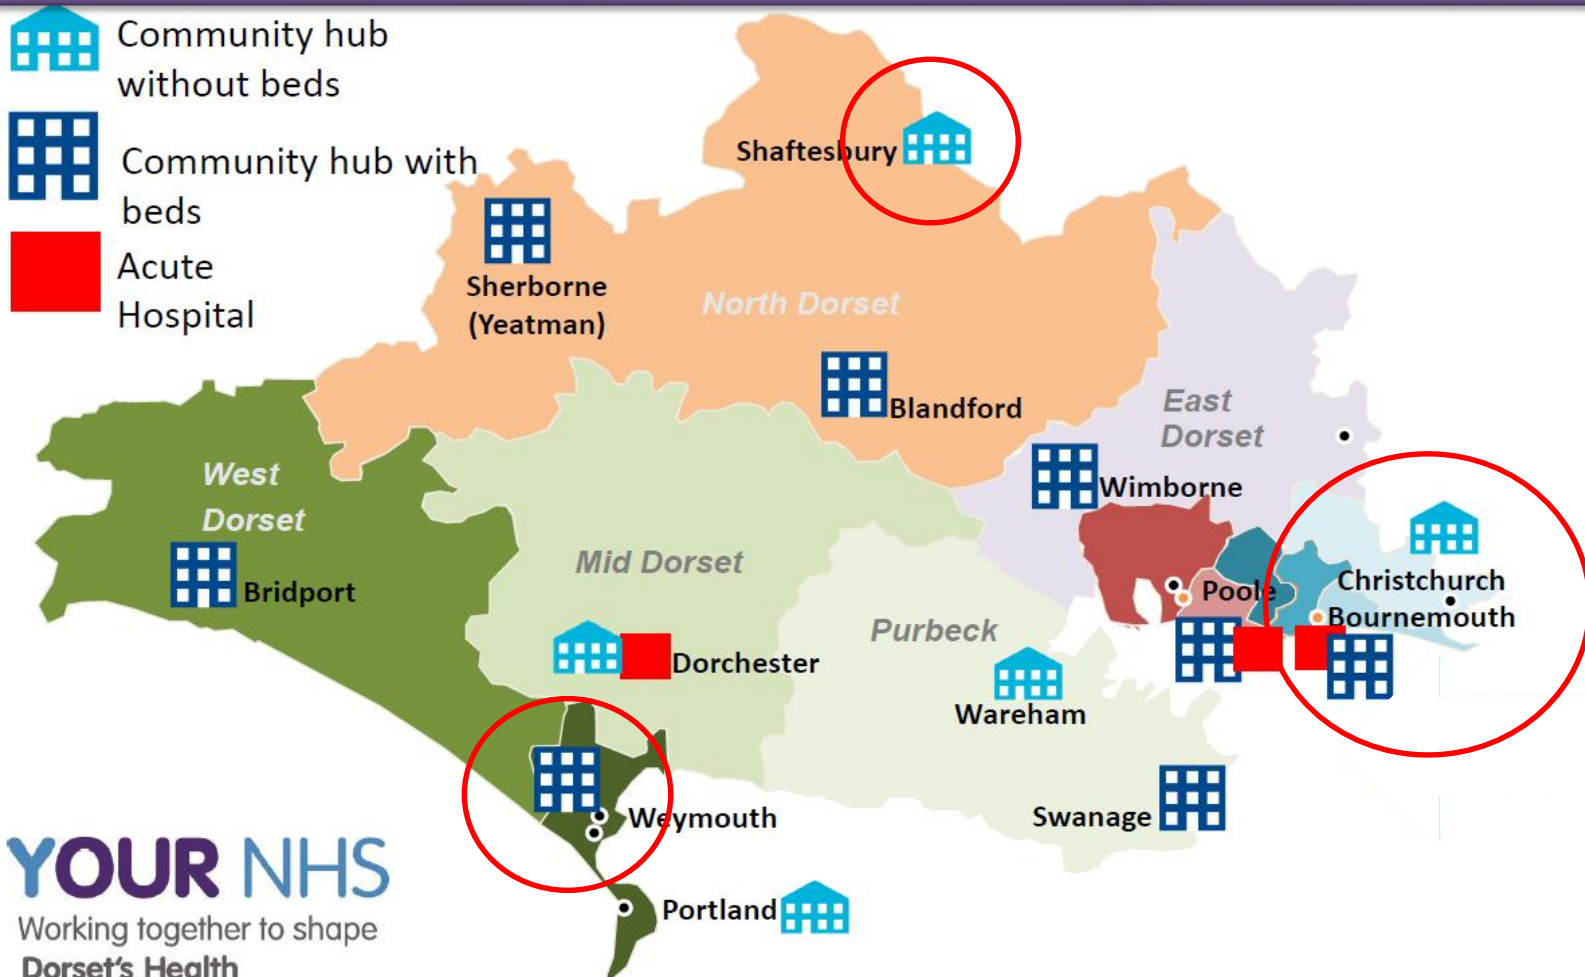

Enable/improve integrated community services by creating 12 community hubs
7 with beds and 5 without beds

Integrated Community Services – decisions

Enable/improve integrated community services by creating 12 community hubs
9 with beds and 3 without beds

Acute services and maternity and paediatric services

Proposals and decisions

Acute hospital decisions

2 options	A	<p>Poole: major emergency hospital</p>	<p>Dorchester: planned and emergency hospital</p>	<p>Bournemouth: major planned hospital</p>
	B	<p>Poole: major planned hospital</p>	<p>Dorchester: planned and emergency hospital</p>	<p>Bournemouth: major emergency hospital</p>

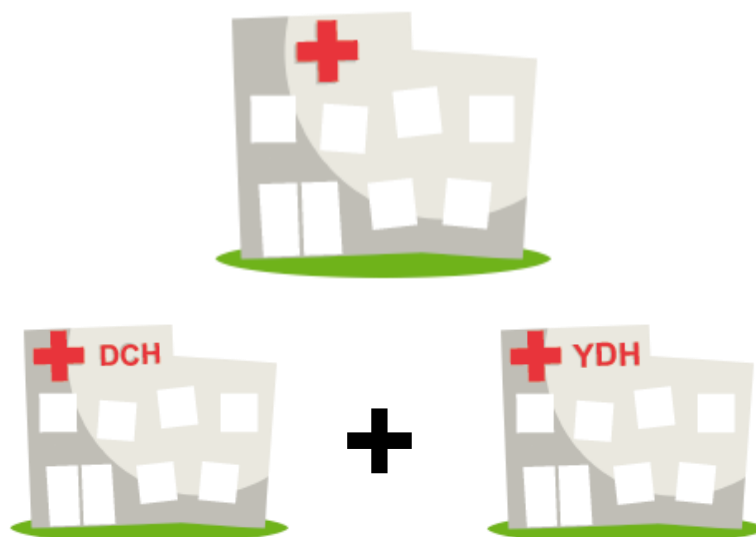

YOUR NHS

Working together to shape
Dorset's Health

Maternity and paediatric decision

Consultant-led services at the major emergency hospital in the east of Dorset. Plus an integrated service across Dorset County Hospital and Yeovil District Hospital.

YOUR NHS

Working together to shape
Dorset's Health

Four main areas of additional work:

- Transport
 - Emergency transport
 - Non-emergency transport
- Clinical risk
- Equality Impact Assessment (EIA)
- Health and wellbeing

Mental Health Acute Care Pathway

Proposals, consultation and
decisions

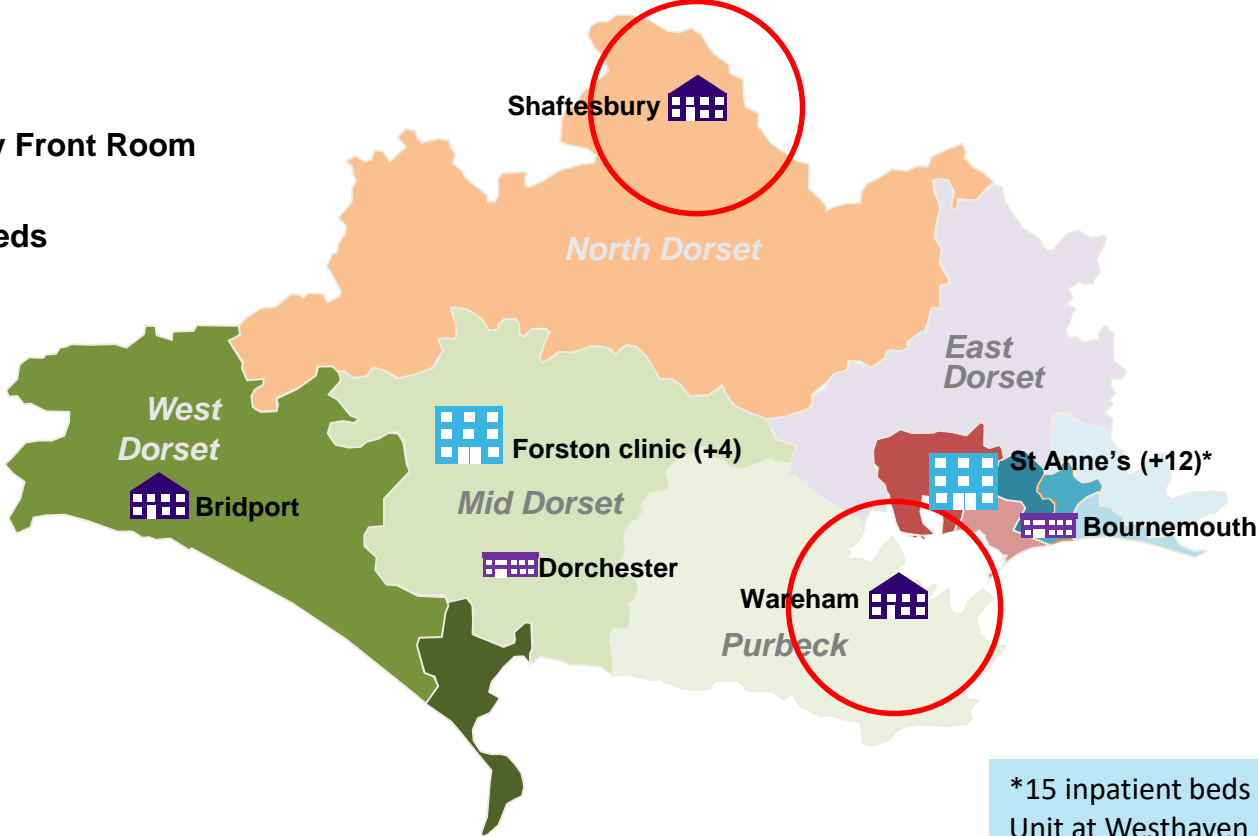

Mental Health Acute Care Pathway – decision

Retreat

Community Front Room

Inpatient beds

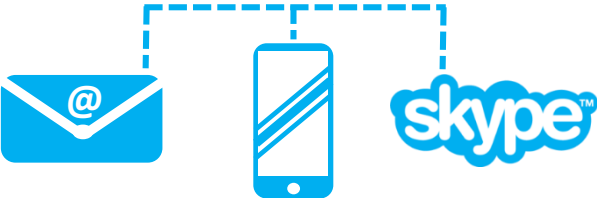

Three Recovery Beds for the west of the county

Four Recovery Beds for the east of the county

*15 inpatient beds from the Linden Unit at Westhaven Hospital (in Weymouth) to move to the east. This means the Linden unit would close.

24/7 Connection service
